2nd November 2021

Foreland Fields School Firework Display 2021

Dear Parents/Carers

On Wednesday evening, 3rd November, we will be holding our Firework Display. Due to the rise in COVID-19 cases, we have liaised with the Health Protection Team and, consequently, have made some changes to arrangements.

We have limited parking on site. Marshalls will be available to direct cars to a space.

Doors will open at 6pm however, all spectators are now asked to enter through the primary/nursery entrance and walk around the building to the main garden area. Marshalls will be on site to guide you. The display will begin at 6.30pm prompt.

As the event is being held outside, the risk of the virus spreading is greatly reduced however, this increases when people are inside. For this reason, access to the toilets will be managed with only a set number of people allowed inside at any one time. Spectators will not be permitted to enter the building for any other reason. We ask that face coverings are worn whilst inside the building.

Refreshments will be available on the night at a small cost and will be served outdoors.

Please note, the use of sparklers and any other private firework is not permitted on school grounds. Smoking, including the use of vapes, is also not permitted.

In the unlikely event that the display needs to be cancelled, e.g. strong winds, we will place a notice on the school website and inform parents/carers via ClassDojo.

Kind regards

Adrian Mount
Headteacher
