Dear Parents/Carers

Re: Student Company – Share Certificates

Students in Key Stage 4 and 6th Form are taking part in a mini-enterprise project with the Young Enterprise Charity.

They will start a company which will be officially registered, and will open a bank account in the company name. All business expenses will be put through this, and the students will have a company credit card with which to purchase stock.

Ideas about what will be sold, the name and company logo are already being discussed by students and they are greatly excited by the prospect of running their own business.

Students need capital to start up their business. To this end, shares are available in their company and will be sold at £1 per share. When the company winds down next June, your investment will be returned with an additional 10% providing the company has made a profit during the year.

The Young Enterprise team will hold meetings and will keep shareholders informed of progress and the state of the company's finances, including profits or losses made.

Please let us know if you would like to purchase shares in the students' business venture. Share certificates will be issued once you have registered your interest and paid.

Kind regards

Helen Newman
Leader of Learning – Pioneers Pathway

Name (Parent/Carer):

Pupil/Student name:

I would like to purchase _____ shares @ £1 per share (Please enclose money).
